Contributions to CFSRF are not tax deductible as charitable contributions for federal income tax purposes. The maximum amount an individual may donate to CFSRF is \$2,300. The maximum amount a multicandidate federal PAC may donate to CFSRF is \$5,000, non-multicandidate PACs may donate up to \$2,300. Donations to CFSRF do not count against a donor's general election contribution limit to Coleman for Senate '08. Donations from individuals do not count against their biennial aggregate contributions limits. This means a maxed donor to the Coleman campaign may make a donation to CFSRF subject to the limits discussed above. Donations by corporations, foreign nationals, and federal government contractors are prohibited. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of each individual whose contributions exceed \$200 in an election cycle. All donations to CFSRF will be disclosed to the Federal Election Commission in the Coleman campaign's reports. Not printed at government expense.
