

# NORM Coleman U.S. SENATE

## Description

The Coleman for Senate Campaign is looking for individuals (attorneys and non-attorneys) to participate in the recount effort. These individuals will be responsible for monitoring the counting of ballots at each location and various duties as needed. The actual counting will be done by the county auditor and each campaign has the opportunity to have an individual(s) observe to ensure the integrity of the process. We are looking for both Minnesota residents and non-residents.

## Time Commitment

We are anticipating the recount process to last approximately 20 working days. We recognize that a 4-week commitment would be difficult for most so we have divided deployments into two different two-week commitments which are listed below. Volunteers should expect to work 7:30 to 5:30 pm daily Monday through Friday.

### Time Commitments

Monday, November 17 – Saturday, November 29

\*we are still awaiting a decision on whether or not counting will occur on Friday, November 28

Saturday, November 29 – Saturday, December 13

\*if the recount is completed prior to Friday, December 12 volunteers will depart earlier

For Minnesota residents, if you are not able to commit to the full recount effort, we can work with you to determine a schedule that fits your availability. Please note, we will make every effort to place individuals in your home or neighboring county.
